OBJECTIVE

Software Developer pursuing a position constructing software that applies critical thinking, design skills, and collaboration

EDUCATION

Base Camp Coding Academy Graduate Institute (September 2022 - September 2023)
- Base Camp Coding Academy Graduate Institute is a non-profit 501(c)(3) organization that was founded in 2016 with the intention to create a pipeline for under-advantaged individuals in Mississippi to access careers in software development. Over the course of the year, students establish fundamental skills gaining the foundation for a successful career in software development aligned with modern technology stacks.
- The curriculum is fast paced, focused, and aligned to the needs of employers in the modern technology environment. Currently, the curriculum covers Python, HTML, CSS, JavaScript, Django, Java, and Spring.

Oxford High School
Class of 2018
